Matchday Magazine Editor:

Mr. C. Grethe, A.M.I.T.D.

Last Saturday's game was a prime example of our performance so far this season. Exciting, direct, disciplined and skilful all put together to give Birmingham, one of the fancied teams in our League, a game in which they were glad to hear the half-time whistle. After we had scored a good goal through Don Page, we failed to press home the advantage and then lost the discipline of our first half display.

We have done this too often for us as a team or for the players as individuals. I have heard too many times how well we have played and what an exciting game we have just taken part in.

We must take our undoubted ability into every game and for more sustained periods of the match. Consistency is what we are looking for now!!!

I am delighted Kevin Langley has joined the club and I have no doubt his talent will help us through the season.

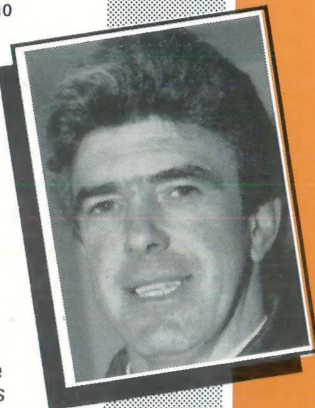

We have come a long way over the last few years and to be in a position of being able to say "No" to clubs asking about our young players was a major step forward. Now we have invested in a quality player the club is really alive with expectations of what might be!!!

Tonight we welcome Phil Neal and the lads from Bolton, a fixture we always look forward to and we can be sure of a competitive game. I'm sure tonight will be no different and I hope supporters enjoy themselves and the game. Have a good night.

Hello and welcome to what is always an exciting game against Bolton Wanderers.

A special hello to Wigan Athletics' latest signing Kevin Langley. Kevin has made no secret of the fact that he has wanted to come back to Wigan for quite a while and I'm sure the Wigan fans will welcome him with open arms. Kevin has the experience that will help our young squad as he played at Everton and Manchester City before joining Birmingham.

Well done, yet again to Don Page scoring against Birmingham. Don must be an example to all the lads here at Latics who are waiting to get back into the first team. His persistence and hard work won him his place and since then he doesn't seem to have put a foot wrong. It's not surprising now, walking around the ground how many people are saying that they knew Don would make it with a bit of time and patience.

Another exciting game against Tranmere Rovers on Monday evening with three ex-Tranmere players in our line-up including the very impressive Ray Woods. Woodsy, you've got nothing to prove there, just go out and enjoy it.

Enjoy the game!

Bye,
Joe.

Good evening and welcome to Springfield Park for what should be another exciting local derby with our friends and rivals Bolton Wanderers and who knows, by playing a team from the north of England tonight we might just get a few seconds on TV's "Kick Off". I don't know what's happened to upset dear old Elton Welsby but all I've seen on kick off this season was a fleeting glimpse of the Barnsley supporters on the Shevington End followed by a brief apology. Perhaps a letter or two to the Head of Sport at Granada might go a miss.

Now on to other business. The welcome return of John Fillingham to Springfield has seen a lot of activity both on and off the pitch. John, I'm sure, wouldn't have returned to The Latics if he didn't believe that Wigan Athletic weren't about to go places, I certainly believe they are; let's look at the facts:

1. The decision to move to a purpose built all seater stadium has been made and all the necessary applications have gone in.
2. The club, for so long in dire financial trouble, has now established its position.
3. Players with experience are being bought to work alongside our very good young players.
4. The team is playing well as a whole and deserves our full support.
5. Ambitions to play at a higher grade are present at Springfield Park—as John Fillingham said last week, before the move to our new stadium.

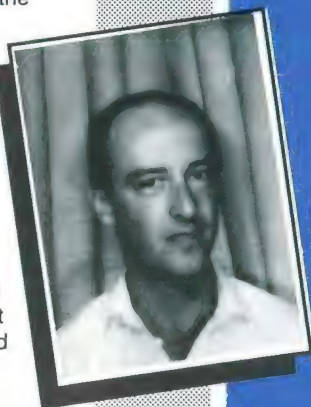

Now its time to spread the word that Wigan Athletic are back in business, tell your friends in the pub, at work and anywhere else you can think of. Lets make an effort to bring people back to Springfield Park, try and make an effort to bring some of your mates to the next home game. Finally, welcome back Kevin Langley who was signed after last weeks game against Birmingham.

Schoolboy Football

Wigan School U15s continued in winning ways last week by beating Bolton 2-0 with young Mark Prescott bagging a brace. Congratulations to Martin Littlewood and Greg Strong on their selection for the County team.

Enough people are writing about how well we've done "on" the field so I'll fill you in on our success "off" it.

Our Matchday Programme was a sell out for the fourth game running last Saturday, so a big thank you to all our readers! Standby for a new bigger Programme coming soon with the same new features.

One in particular gives you, the fans a chance to write in and air your views, so if you want to moan or tell us how nice we are, write in, maybe you would like to comment on football in general (I'm sure George Best and Terry Wogan would have got a mention). Send your letters to:

"MAC ATTACK", c/o Wigan Athletic AFC,
Springfield Park, Wigan WN6 7BA.

In the Club Shop, sales are booming and shelves are near empty. New lines are on the way and should arrive for the next home game, these include new look shell suits, sweat shirts, tops, etc. So keep a look out.

With the clubs strike for further success and greater status there has been a big influx of new sponsors and people wanting to get more involved with the club. You will have noticed the change in advertising boards around the ground I'm sure, and without trying to sound bias the facilities for match sponsors and matchball sponsors, etc are first-class. If you feel we could help your business or you just simply want to be further involved, contact

THE COMMERCIAL DEPARTMENT,
Wigan Athletic AFC, Springfield Park, Wigan WN6 7BA.
Telephone 43067 or 44433

Together, we can both achieve our goals.....

Enjoy the game.

— ANNOUNCEMENT — THE EAGLE HAS LANDED

Wigan Athletic AFC Ltd are pleased to announce that they have become authorised introducers of Henry & Co. (Financial Consultants) Ltd who are tied agents of Eagle Star.

Henry & Co. (Financial Consultants) Ltd are the financial services arm of Henry & Co Accountants both of whom have taken significant commercial sponsorship with the club for the current season.

Henry & Co (Financial Consultants) Ltd are a local firm, employing local people, with offices in Bridgeman Terrace, just a short walk from the ground. They offer a full range of financial services provided by the well known insurance company Eagle Star, who are also supporting the club by way of significant commercial sponsorship.

The way it will work is that the income accruing from the business generated by this scheme will come to the club, after a management fee paid to Henry & Co (Financial Consultants) Ltd for administering the scheme.

All we ask therefore is that if you are considering a mortgage, pension, life assurance or other 'financial product' is that you give Henry & Co (Financial Consultants) Ltd the opportunity to quote. Remembering that if you go to another insurance broker he will keep the profits. We see this as a major source of income for the club and hope you will be able to support the scheme.

Good evening, and welcome to Springfield Park for what is always a tough match with our great rivals Bolton. They come tonight after a tough midweek trip to Highfield Road to play Coventry City in the Rumbelows Cup, having to write these notes early Wednesday the outcome isn't known but we hope their fans had some cheer from the result.

Looking to our own side we were unlucky not to take all three points last Saturday, but Birmingham provided tough opposition and it was great to see our lads playing such attractive and flowing football. It is nice to hear so many people talking about our club and tipping us for one of the top slots, we are still only a young side but the future looks great.

I would like to extend a very warm welcome back to Kevin Langley, a very skilful and experienced player who will benefit the club as well as the team. He is Wigan Athletic through and through and I'm sure will receive a rapturous welcome when he makes his debut.

Enjoy tonight's game.

Good evening, welcome to tonight's game.

Once again it's Derby time at Springfield Park, and tonight we welcome our friends and rivals, Bolton Wanderers, their is always a buzz around the place when the two teams meet so lets hope for yet another exciting game of football.

Our next social night (1st October), clashes with the Latics playing away at Tranmere Rovers, so I have no doubt some of you will be missing as there is plenty away support for the lads amongst the junior members.

Details will be given out about the forthcoming "Halloween Party", so don't worry if you miss anything as they will be repeated in the next programme and the local press.

At the time of writing, there are still some places left on the Junior Latics coach trip to Crewe (6th October), if anyone is interested, they can put their name down at the Junior Latics caravan during tonight's game.

Enjoy tonight's game, see you all on the social night.

Allan B. Wilkinson - Chairman.

Tonight's Mascot is 11 year old Stephen Roby who attends Up Holland High School. Stephen plays for Junior Latics Under 11s and his favourite player is Don Page.

Bolton Junior Whites have brought two mascots with them tonight. They are brothers Arron (6) and Ashley (8) Bray. Both love watching and playing football.

Happy Birthday to: Michael Waite, Sarah Aspinall, Andrew Joynt, David Harrison, Carl Pierce, Darren Foster, Joanne Plews, John Ashurst, Richard Jones, Joel Edgerton, Sharon Pye, Craig Sing.

WIGAN (0942) 212490

In atrocious weather, our Reserves far deserved their 4-2 away win at Blackpool. Twice behind, once to a rather dubious penalty award, Wigan showed a lot of character in petting away for their first win of the season. The highlight of the match was undoubtedly David Fairclough's brilliant hat-trick, a real "blast from the past" so to speak. All this, too, in a match which was often played in torrential rain and gale-force winds. Fairclough's best goal was his second one which was struck with real venom from just inside the box. Jimmy Carberry's goal was just as good as he ran onto a through pass and hit it home on the half-volley.

HEINZ CENTRE OF EXCELLENCE

Our 'A' team youngsters visited the School of Science and gave Everton a 4-1 lesson! The Latics opened very brightly and played some delightful soccer against an Everton side which seemed to lack discipline. It was no surprise, then, when the Latics took the lead with a brilliant goal. Barry Edwardson shot past his marker and cut the ball back for Stephen Nugent to crash home first time on the turn. Everton then equalised in puzzling fashion from a free kick which seemed to result in two Everton forwards being in an off-side position but the linesman's flag was up for a penalty which no one else was aware of!

The second half saw our boys in the ascendancy against an Everton side which had little flair. Wigan went 2-1 up from a free-kick given for a professional foul which resulted in their keeper being sent off. Wigan went three up when Nugent thumped home a great shot. Everton's misery was complete when another of their players was sent off for persistent foul play and Stephen Eyre volleyed home a fourth goal in fine style.

THE WORLD OF SPORTS

Ladies IN Football

During the last few weeks, through this programme, I have been trying to promote interest from both male and female Latics Fans, to come along to Robin Park to support your local ladies football team.

I can honestly say, that those supporters who have not yet been to watch us in action have missed out on a great advert for our game. The opening matches have produced team performances which show sheer determination, fighting spirit, competitiveness, character, discipline, good football and also goals! We have noticed a few new faces down at Robin Park, cheering us on, and I hope we can persuade a few more to come down in the coming months.

You have already read that the team's opening two matches produced all the ingredients of a good football match and most importantly we gained 3 points. But last Sunday's game when we faced tough opposition in Newton was one of Wigan's best performances ever!

The team showed all their qualities, and won the match 0-1. Lynn Arstall, again proving to be valuable to our attack scored our only goal of the day to give us the victory. The game itself was evenly matched in the first half, scoring chances falling to both sides but neither being able to find the net. The second half performance from Wigan would have made Bryan Hamilton smile! After taking the lead, through Arstall, Wigan found themselves disputing a penalty, awarded to Newton for an alleged push by Jo Wood. Jill Thomas stepped up to take the spot kick only to see her shot fly high over the crossbar - Wigan breathed a sigh of relief. Pauline Rimmer kept Wigan's lead safe by pulling off two superb saves during an attacking spell by Newton. Former Wigan player, Yvonne Gagen had only Rimmer to beat to grab an equaliser, but Rimmer kept her cool and produces a save any keeper would be proud of. The girls are now playing with confidence, and this victory will lift us more, and who knows, we might just cause a few more upsets!

We prepare for yet another big game on Sunday when Preston Rangers visit Robin Park, K.O. 2 p.m.

GOOD LUCK TO THE LATICS - FROM ALL AT

'same again!'

John Smith's
Consistently
The Best

Good evening everyone, and welcome once again to Springfield park for this local derby against Bolton Wanderers. I must say that I thoroughly enjoyed Saturday's match against Birmingham City. For the sponsors to make Nigel Adkins Man of the Match at bit on the negative side of thinking. Although Nigel had an excellent game, Latics created enough chances to be a couple of goals up by half time. A similar performance tonight should surely win the points for Latics.

Last Saturday's raffle was in aid of the David Longhurst Memorial Fund. A fund set up by the York City supporters. With your kindness the raffle raised £60. This, together with a few pounds from club funds, will be on its way to York City F.C.

Our supporters club secretary, Joe Mills, is also on the committee of the Federation of Football Supporters Clubs, during the season Joe represents Latics at various meetings in football clubs all over the country. The last couple of meet-

ings have been at the two newest grounds in the Football League, Scunthorpe and Walsall, both, I believe, very similar in construction and both grounds with a change of name; the first person this evening to tell me, in person, the name of the two new grounds, I will buy them a drink (Supporters Club staff excluded of course).

Heinz Junior Latics F.C. Under 10s

Last Saturday morning saw another convincing win for the Juniors, away at Penketh Utd. Three goals from Neil Berry two from left-winger Paul Williams, and further goals from Paul Gorton, Andy Shawcross and Dean Worthington rounded off a good team performance. Latics even scored the Penketh goal from a deflection.

The Club is available for private functions, e.g. weddings, engagements, retirements, silver weddings, parties, etc. Buffets and disco's provided on request. Please contact Carol on Wigan 43512 for further details.

Latics Travel

Travel arrangements are now being taken for the Tranmere game at Prenton Park, reservations can be made in the Club at tonight's game, or by phoning 44433 office hours, or 43512 evenings.

MEMORIES SEASON 66/67

This was a season which saw substitutes allowed (Allan Brown the first) and Latics with ex Man. City star Joe Hayes in their ranks. It was Man. City who officially opened the new £15,000 floodlights in October before a gate of 10,119. Two weeks later, player-manager Allan Brown resigned to take over Luton Town. This coincided with Latics first League defeat after a run of 52 consecutive games (they lost 0-2 at Buxton). Latics were robbed in their FA Cup replay when the referee blew for time with Alf Craig into the net.
